

May Newsletter

In the month of April, we welcomed warm weather and some snow weather which was of course slightly unwelcomed but we all made the best of it and got those snowpants out again for the kids. This month's themes are going to be Mother's Day, Farm/Pets, Transportation, And Safari/Jungle.

The preschool has some playground equipment coming thanks to our fundraising this year and we can't wait for it to be set up for the kids to enjoy.

We would like to thank everyone that brought in the plants for us to enjoy and watch grow in our center. This month's themes are Mother's Day, Farm/Pets, Transportation, And Safari/Jungle.

We will be closed for Victoria Day which is May 24th, please enjoy this long weekend with your family. We are all very hopeful for great May long weather.

Please remember to label all shoes and clothing coming into the school, we continue to have mix-ups and this does help us locate belongings and try to make sure everyone has their own belongings here at the preschool.

It is very important that children wear shoes and boots that they can put on easily. (no laces unless they can tie them up unassisted.)

We have a raffle that is starting on May 10th, 2021. Winning tickets will be drawn at the school on May 31 at 5pm. Tickets are only 2\$ each and only 1000 printed.

First Prize: BBQ and \$125 Butcher Block GC (\$675)

Second Prize: Sydney Soucy Photography package (\$275)

Third Prize: Local Artisan Basket (\$520)

Our annual outdoor **Spring Clean up** is scheduled for May 29, 2021. We would like all families that are able to help us and get some volunteer hours in please reach out to me and let me know if you can help us get the outside all freshened up.

We would love to see the children have their water bottles filled and ready to drink from when they come in from their playtime. They need to be able to grab a drink quickly sometimes so if you could have those water bottles ready for them in their backpacks.

We have seen some amazing litterless lunches this year and want to say Thank you to all the families that have been diligent in helping us keep up with this. Litterless lunches are so much easier for the children to access their foods as they do not need to wait for help to open up packages and helps teachers with the garbage clean up as well as having to continue washing hands in between opening up all the wrappers. We thank you for trying to help us with this. We have noticed a few oranges coming in unpeeled and would like to remind that this is not something that we are able to do for your child. Please have the snacks ready for your child in the easiest manner possible for them to eat independently. Thank you 😊
